BIBI & TINA

SYNOPSIS

The cheeky young witch Bibi Blocksberg loves nothing better than spending her holidays at the Martinshof stables with her best friend Tina. She is not allowed to cast spells whilst she is there, but she is allowed to go riding. On their horses Amadeus and Sabrina the two of them are simply unbeatable. But this time, however, they have some serious competition. The pretty Sophia von Gelenberg is using every trick in the book to persuade Tina's boyfriend, Alexander von Falkenstein, to go to boarding school in England with her. Tina is in pieces.

On top of this, the tricky businessman Heinz Kakmann is using every means at his disposal to part Alexander's father, Count Falko, from the cute foal Sokrates; and he is used to getting his own way, every time.

Come the day of the big horse race at the local castle and Bibi no longer knows which way to turn and for whom she should fight. Not only is the foal Sokrates at stake, but also her friendship with Tina.

THE DIRECTOR

Writer-director Detlev Buck, having shown what he can do for little girls, ponies and children and family audiences in his HANDS OFF MISSISSIPPI turns his talents here to the hugely popular and internationally successful series of audio books, radio plays and animated series about the young witch Bibi Blocksberg (created by Elfie Donnelly) and her best friend Tina of which there are well over one hundred episodes in total. His unique narrative style and wry sense of humor guarantee BIBI & TINA's appeal to audiences of all ages.
